Learning objectives

- Prevalence of the common and uncommon cerebral hemorrhages
- ☐ Etiologies of the uncommon hemorrhages
- ☐ Clinical presentation of the uncommon cerebral hemorrhage
- ☐ Diagnosis of the uncommon cerebral hemorrhages
- ☐ Treatment approach for the uncommon cerebral hemorrhages
- ☐ Prognosis

Key Messages

- ◎ Uncommon causes of cerebral hemorrhages is not rare in summation.
- ◎ [?] Diagnose and treat the etiological causes for the uncommon causes are very important to prevent future hemorrhages.
- ◎ [?] Increase awareness and knowledge for the uncommon causes may decrease hemorrhagic stroke disease burden at the individual and the population level.
